

ADAM CROMER

FULL-STACK WEB DEVELOPER

Full-stack web developer with a background in customer service looking for a community focused workplace eager to grow. A detail-oriented and organized optimist with a love of technology and helping others.

PROJECTS

Workins

A full-stack MERN application to build custom made workouts. Template and UI built using **React** and **Bootstrap**. Database made with **MongoDB** using a **Mongoose** ORM, and hosted using **Node.js** on an **Express.js** web server.

[Code](#) | [Deployed](#)

CircleUp

Event planner that lets you invite friends and join groups using a secure user login. Database made with **MySQL** using a **Sequelize** ORM. Template and UI made with **Handlebars** and **Materialize**. Hosted using **Node.js** on an **Express.js** web server.

[Code](#) | [Deployed](#)

Cartoon Giftastic

Click a button or create your own to dynamically load gifs of animated shows using Giphy's API. This project was made using **JavaScript** and **JQuery**. The UI was created using **Bootstrap**.

[Code](#) | [Deployed](#)

Ultimate Veggie Burger

An app to add or remove toppings to create your perfect veggie burger. Hosted on an **Express.js** server made with **Node.js**. This app, database, UI, and template were made using **JavaScript**, **MySQL**, **Bootstrap**, and **Handlebars**, respectively.

[Code](#) | [Deployed](#)

LIRI Bot CLI

A **Node.js** command line interface which requests API data from Spotify, Bands In Town, and the Online Movie Database. Using a specific API, the command line returns song, concert, or movie information as requested.

[Code](#)

EXPERIENCE

Customer Relations Specialist | Utah Transit Authority | Jan 2017 - Mar 2020

Maintained operations of a customer service center including customer interactions, information, concerns, lost and found, fare media inventory, financial transactions, and coordinating office maintenance.

[View Letter of Recommendation](#)

Template Maker | Sewlong Custom Covers | Aug 2015 - Dec 2016

Supported operations and customer service of a custom canvas sales center. Provided customer service through calls and sales events, created custom templates and patterns for each project, and handled product pickups and deliveries.
